ELECTION DISTRICT: Falmouth

BACKGROUND REPORT

In the Dogwood Air Park neighborhood, the neighborhood is built around an aircraft runway. The private streets also serve as taxiways for the aircraft. The southernmost road/taxiway is named Airpark Blvd. Near the east end of that road, an easement comes off of the south side and serves three homes. Airpark Blvd continues to the east, thereby creating a fork in the road which is impossible to accurately assign addresses for E-911. Two of the home owners have requested their easement be named Skyhawk Lane. The third owner has not responded.

Staff recommends approval of the street naming for emergency purposes.

Mr. Rhodes asked if there was an attempt to contact the third person.

Mr. Zuraf stated Planning staff attempted to contact the third resident, but he was unsure of the method of contact.
